

To celebrate we are kicking off the season with a few extra goodies. First is a rebate for a RWB-430 beauty dish or RMB-330 medium beam reflector with the purchase of any of the following Baja two light kits:

**BK4-2200b, BK6-2200b, or the AK6-2200b**

The 17" beauty dish (RWB-430) works great with the HSS feature on the Baja as it adds power while retaining wonderful light quality. Really a must have if you're doing any HSS shooting. This has a list price of \$140.00 The RMB-330 is another fine tool to have for your Baja. Offering a bit more light and contrast than the RWB-430.

The second mail in rebate is for a RBOR-24 24" Octabox and SDL-16 speedring with the purchase of any one of these AC powered kits:

**Road Series:**

Two Light Kits; RK4-1222, RK8-1222, & RK16-1222.

Three Light Kits; RK4-2302 & RK8-2302

**RoadMax Series:**

Two Light Kits; MK4-1222v, MK8-1222v, & MK16-1222v

Three Light Kits; MK4-2302v & MK8-2302v

The 24" Octabox works great on the MH2015 or MH2065v flash heads that are included in the kits. Since the 24" Octabox needs a speedring we are including the SDL-16 so you can mount this great softbox onto your new Dynalite flash head. The total value of this deal is \$207.00

**Hurry to your Dynalite Dealer since these deals are only good from December 1st to December 30th!**
